Dear SAF Members,

The Board of Trustees of the Washington State Society of American Foresters (WSSAF) Foundation wishes to thank you for supporting the Foundation.

The WSSAF Executive Committee approved a charter on December 5, 2003, to establish the WSSAF Foundation. Thanks to your support, the Foundation has been awarding scholarships to worthy forestry students since 2011.

Attached is a brief Annual Report. In addition to listing past scholarship recipients, the report summarizes the source of revenues and expenses for fiscal years 2013 and 2014.

The Trustees are seeking your help to build a more robust student scholarship program. The cost of a forestry education continues to increase annually. Trustees would like to build the fund to increase the number—as well as the scholarship amount—that is awarded each year.

To date, donations from fundraising at the Annual Meeting and our annual fund drive have been the primary revenue sources for the Foundation.

To help us build the fund we encourage you to consider making a fully tax deductible donation to the Foundation. Contributions can be sent to: WSSAF Foundation, c/o SAF Northwest Office, 4033 SW Canyon Rd., Portland, OR 97221. Please make checks payable to WSSAF.

Please don't hesitate to contact me if you have any questions or would like more detailed information about the Foundation and its goals.

Yours truly,

Doug St. John

Benjamin Roe Pursuing Double Masters Degrees

Ben is pursuing a concurrent Master of Science in Forest Resources and Master of Public Administration from the University of Washington. He will graduate next June and plans to pursue a career with the federal government, working to develop policies which incorporate sustainable management and environmental conservation. He is hoping to find a position which allows him to increase collaboration between industry, policy makers and environmental interests to balance society's demands with the need to maintain forest health and diversity for generations to come.
